Take Your Career to its Highest Potential

Where do you want to be in 5 years?

No matter where you are in your career and where you want to go, one of the best ways to drive your professional growth and career success is through continued learning.

At The Institutes, we strongly believe knowledge can impact our industry and help professionals like you accomplish more in your career!

Have you ever noticed how some of the most successful people in the industry tend to share the same initials after their name?

By earning the Chartered Property Casualty Underwriter (CPCU®) designation—the risk management and insurance industry’s standard for knowledge, ethics and experience—you can take the first step toward building a lasting foundation of knowledge to help you take your career to its highest potential.

“The CPCU means something different to each of us. For me, it was a way to prove I was serious about my passion. Thank you, CPCU, for helping me to achieve my dream job. I am proud, honored and humbled to be forever a CPCU!”

– **Domenic Antinucci III, MBA, CPCU, CP**

Is CPCU For You?

CPCU is more than just letters to add to your business card.

By becoming a CPCU designation holder, you'll build the confidence and professionalism to face the changes, challenges and demands of the risk management and insurance industry while meeting your customers' needs.

The CPCU designation can help any professional who works with or in the risk and insurance industry, including:

- Agency principals
- Agents and brokers
- Claims representatives
- Insurance litigators
- Line of business managers/executives
- Risk managers
- Underwriters

*of CPCUs feel more confident in their abilities.**
